

ACKNOWLEDGEMENT

First and foremost, I thank the almighty for providing me guidance and perseverance in the completion of this research work. I shall always be thankful to **Dr.(Mrs.) S. Nirmala, MBA., MPhil., Ph.D.**, Associate Professor, Department of Business Administration & Principal PSGR Krishnammal College for Women, Coimbatore, who is the source of my inspiration for this study. She has helped me throughout the course of this study at all the phases of its work and I am indebted to the kind of motherly support rendered to me.

I express my profound gratitude to the Chairperson of the college **Dr. R. Nandini**, for giving me an opportunity to undertake this programme. I take immense pleasure in thanking the management of PSGR Krishnammal College for Women for providing right environment throughout the programme.

My sincere thanks are due to **Dr. (Mrs.) N. Yesodha Devi**, Secretary, PSGR Krishnammal College for Women for her infallible support rendered. Sincere thanks are also due to **Dr. (Mrs).K.Vidyakala**, Head of the department (In charge) and all the faculty members of Department of Business Administration, PSGR Krishnammal College for Women for their co-operation during my research work. I am extremely thankful to the college library for providing me the required reference books.

I express my heartfelt thanks to **Indian Council of Social Science Research (ICSSR)** for providing me Short Term Doctoral Fellowship which came at the critical time and helped me in completing my research work

No words are enough to express my love and gratitude to my parents and my brother who have steadfastly supported me in this research work. Without the moral support and taking care of my responsibilities at home by my in-laws, this research work would not have been complete. I am deeply indebted to them. The constant love and support given by my husband **Mr. Ranjit Krishnan** throughout my research work is invaluable. I shower my choicest blessings on my dearest daughter **Ms.Nandana.K** for putting up without me on many occasions and ensuring me to complete my research work.

Last but not the least, I offer my thanks to all those who helped me during the course of research work and whose name could not be acknowledged individually.
