Vision

To empower young women with a value-based educational opportunity that provides necessary knowledge and skills, builds hope and confidence, and confers stature and dignity to become responsible global citizens

Mission

- We shall empower the underprivileged in our communities through access to quality education that is thoughtfully, sensitively and efficiently delivered.

- We shall develop and nurture enthusiastic life-long learners at undergraduate, graduate, and doctoral levels and fortify them with knowledge, skill, competencies and values for the times.

- We shall help young women develop a potential to make meaningful contribution to the society.

Our Founders Our Inspiration

The combined vision of Sri. G.R. Govindarajulu and Smt. Chandrakanthi Govindarajulu transformed peelamedu into an educational paradise rendering women empowered through education and social services

Punjaba-Sindhu Gujarata-Maratha
Dravida-Utkala-Vanga
Vindhya-Himachala Yamuna Ganga
Uchchala jaladi-taranga
Thava-subha name-jage
Thava subha asisa mage
Gahe thava jaya-gatha
Jana gana mangala-dayaka jaya He,
Bharatha bhagya-vidhata
Jaya He, Jaya He, Jaya He,
Jaya Jaya Jaya Jaya He.

English Translation

Thou art the ruler of the minds of all people
Thou dispenser of India's destiny
Thy name rouses the hearts of the Punjab, Sind,
Gujarat and Maratha, Dravida, Orissa and Bengal
It echoes in the hills of the Vindhyas and Himalayas,
Mingles in the music of Yamuna and Ganga and is
Chanted by the waves of the Indian sea.
They pray for the blessings and sing their praise,
Thou dispenser of India's destiny
Victory, Victory, Victory to Thee.

The Pledge

India is my country. All Indians are my brothers and sisters.

I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it.

I shall give respect to my parents, teachers and all elders and treat everyone with courtesy.

To my country and my people, I pledge my devotion. In their well-being and prosperity alone lies my happiness.

PSGR KRISHNAMMAL COLLEGE FOR WOMEN
College of Excellence

The Founder of the GRG Trust, Sri. G.R. Govindarajulu, following the footsteps of his illustrious parents, started a high school for girls in 1956 in Peelamedu, Coimbatore. Growing in popularity and driven by the desire of the public, the school blossomed into a full-fledged college for women. Thus was started PSGR Krishnammal College for Women on 28th June 1963 under the auspices of the GRG Trust. Sri G.R. Govindarajulu was the Founder Trustee and Smt. Chandrakanthi Govindarajulu, the Founder Correspondent of the college.

Affiliated to the Bharathiar University in Coimbatore, PSGRKCW is situated as a beautiful, serene, and verdant campus. Over a period of nearly 60 years, it has grown into a full-fledged first grade post graduate- research institution with well-equipped laboratories, two excellent modern libraries, an extensive well- maintained playground and a world- class indoor sports arena. The college offers UG - 31, PG - 13 and M.Phil / Ph.D - 11 Programmes. The total student strength is around 8,000.

Due to the untiring efforts of the founders and their family members, the college in the second year of its inception (1964) was upgraded to a First Grade college. This is the first women's college in this area to start MA (Literature) in 1969, B.Com in 1970 and BBM in 1987, exclusively for women. Another pioneering initiative at the state level is the starting of MBA Programme exclusively for women during 1993-94. The MBA programme of PSGRKCW has now been internationally accredited by the ACBSP, USA in 2019.

To ensure quality enhancement to make quality an inherent aspect of the institution, the Internal Quality Assurance Cell (IQAC) was constituted in January 2004. Autonomy in 2004, ISO 9001:2000 certification in March 2007, accreditation with A++ Grade by NAAC, and ISO 9001:2015 certification in 2018 have been the modest but reaffirming assurances in the vertical climb of the institution towards excellence.

The Botany programme has been elevated to the status of DST-FIST sponsored in 2009. In 2011, the college was awarded "College with

Potential for Excellence" status by UGC. This was followed by a celebrated elevation for science programmes with the inclusion under the "Star Status Scheme" of the DBT in 2012.The institution has entered into new ventures with UGC sanctioning skill-enhancing programmes through B.Voc (in two disciplines) and a Community College in 2014. A Rural Women Technology Park (DST-sponsored) has been launched to empower women in rural areas through technology transfer and entrepreneurship

Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, has provided financial support to establish DBT-BUILDER - Interdisciplinary Life Science Programme for Advance Research and Education.

BIRAC (Biotechnology Industry Research Assistance Council) has approved the establishment of GRG BIRAC EYUVA Centre (Encouraging Youth for Undertaking Innovative Research through Vibrant Acceleration) with this, the Institution is venturing into establishing incubation and startups in Microbiology.

Children Centric activities under the DST-NCSTC project - Infusion of Science-A Game Changer in Young Minds has been elevated to provide awareness to the society with a special component exclusively for Women.

PSGRKCW was awarded with "College of Excellence" status by UGC in 2016 and has been ranked 6th among colleges in the country in NIRF 2021. All the five science programmes and three computer science programmes have been granted Star status by the Department of Biotechnology (DBT). Most recently, the college has been ranked 5th among government and government- aided colleges in ARIIA 2020.

CHANDRAKANTHI CENTRE
FOR DEVELOPMENT AND EXCELLENCE

To equip future generation for their successful employment and develop their personality along with their academies, Personality Development Program has been introduced for all three years. First Year program is split into two modules I Semester - Communicative English (40 Hours) & II Semester Effective English Communication (30Hours). Second Year- General Aptitude for Campus Placement (40 Hours). Third year - Soft skill for Campus Placement (40 Hours). Student Support Manual is published through "Wiley India Pvt Ltd" for the same. Online support module in myklassroom (an internal support software) is implemented for online assessment. Final Year Placement registered students undergo a special training program for 30 hours "Campus to Corporate Connect".

I Year - 40 Hours

Communicative English: This program is a bridge program for II semester; students are screened by class in charge based on their language skill (written and verbal). The course covers basic grammar and Spoken English.

Effective English Communication: This program is for entire I year. The course covers Verbal Aptitude.

II Year - 40 Hours

Aptitude & Soft skill for Campus placement is given for entire second year. The course covers Quantitative Aptitude, Logical Reasoning, and Verbal Aptitude.

III Year - 40 Hours

Soft skill & career guidance for Campus Placement is given for entire third years. The course covers Resume Writing, Group Discussion, Grooming, Body Language, and Communication.

PG - 24 Hours

Campus to Corporate Connect

Placement registered students undergo this program; experts from industry train the students on interview preparation.

CENTRE FOR E-RESOURCES

The centre aims at high-quality plan of the whole instructional approach of the various programmes offered in the college in tune with National Programme on Technology Education Learning. The e-contents with combination of sounds, images and text prepared by our faculty members provide free online video lectures in science and humanity courses and are made available in learning management portal 24x7 to our students.

LANGUAGE LAB

PSGR Krishnammal College for Women established the Language Lab in the year 2008, which is a language training platform to maximize practical learning of language and language-oriented skills. Lady Hawk software is installed in the lab to expand activity based learning amidst first and second year students of under graduation. Every year, around 3500 students get benefitted by getting trained through the language software to learn various languages like English, French and German. Language Lab allows students to practice language with a much wider variety of activities and exercises using online modules. Different modes of activities like audio exercises, video exercises and audio-visual materials are programmed to equip the users. The students can watch videos, practice their pronunciation through a speech recognizer, learn new vocabulary, and work out the grammatical tasks and they can also have a record of their scores. The platform is tailored to the individual needs of students. On the other hand, the monitoring and evaluation pattern incorporate in the system said the teacher identify the areas of difficulties students encounter during the course of language learning process.

Teachers know the progress of each student and receive reports of their strengths and weaknesses which enable bettering the skills. Individual activity tracking is enabled which facilitates accurate assessment of each student's performance record. This improves the language standards of the students and on the other hand, the teacher is able to have the records of progression for each student and of the entire class as well.
