## English Translation

---

Thou art the ruler of the minds of all people  
Thou dispenser of India's destiny  
Thy name rouses the hearts of the Punjab, Sind,  
Gujarat and Maratha, Dravida, Orissa and Bengal  
It echoes in the hills of the Vindhyas and Himalayas,  
Mingles in the music of Yamuna and Ganga and is  
Chanted by the waves of the Indian sea.  
They pray for the blessings and sing their praise,  
Thou dispenser of India's destiny  
Victory, Victory, Victory to Thee.

---

## The Pledge

---

India is my country. All Indians are my brothers and sisters.

I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it.

I shall give respect to my parents, teachers and all elders and treat everyone with courtesy.

To my country and my people, I pledge my devotion. In their well-being and prosperity alone lies my happiness.

# PSGR KRISHNAMMAL COLLEGE FOR WOMEN

## COLLEGE OF EXCELLENCE

PSGR Krishnammal College for Women was started on 28<sup>th</sup> June 1963 under the auspices of the GRG Trust by the visionaries Shri.G.R.Govindarajulu and Smt.Chandrankanthi Govindarajulu. Under the able leadership of Managing Trustee Shri.G.Rangaswamy and Chairperson Dr.R.Nandini, the college strives to live up to its motto, 'Educate to Empower.' The college is an ISO 9001:2015 certified, Autonomous institution affiliated to Bharathiar University. Over a period of 60 years, it has grown into a full-fledged, first class postgraduate research institution. The college functions in two shifts, offering 35 UG, 14 PG, 1 PG Diploma, and 13 research programmes with a strength of 8500+ students and 300+ faculty members. The college was conferred 'College of Excellence' status by the UGC in 2016 and has been awarded an A++ grade with a CGPA of 3.71 on a four-point scale by the NAAC in the fourth cycle of accreditation. It is ranked 6<sup>th</sup> in the National Institutional Ranking Framework 2022 by the Ministry of Education, Government of India, and 5<sup>th</sup> among Government and Government-Aided colleges in ARIIA 2020. To ensure quality as an inherent aspect of the institution, the Internal Quality Assurance Cell (IQAC) was constituted in January 2004.

Due to the untiring efforts of the founders, the college was upgraded in the second year of its inception (1964) to a First Grade college. This is the first women's college in this area to start M.A. Literature in 1969, B.Com in 1970, and BBM in 1987, exclusively for women. Another pioneering initiative at the state level is the starting of an MBA programme exclusively for women in 1993-94. The MBA programme has been internationally accredited by the ACBSP, USA in 2019.

Department of Botany has been elevated to the status of 'DST-FIST sponsored' in the year 2009. The College has also received recognition at '0' level by DST-FIST in the year 2011 -12. All Eight Science departments are awarded 'Star Status' by the DBT. Interdisciplinary Life Science research is promoted through the DBT-BUILDER programme. The institution started UGC sanctioned skill-enhancing B.Voc programmes (Garment Designing & Beauty Therapy and Aesthetics) and a Community College in 2014. A Rural Women Technology Park (DST-sponsored) has been launched to empower women in rural areas through technology transfer and entrepreneurship.

---

The college has been recognised as a Nodal Training Institute under the Agri-Clinics & Agri-Business Centres (ACABC) programme launched by the Ministry of Agriculture and Farmers' Welfare, Government of India, in association with NABARD. The GRG BIRAC EYUVA Centre (Encouraging Youth for Undertaking Innovative Research through Vibrant Acceleration) has been established with the support of BIRAC (Biotechnology Industry Research Assistance Council). Thus, the college keeps progressing towards excellence.

## **UGC - SPONSORED B.Voc. DEGREE PROGRAMMES**

Vocational or skill-based education is becoming more and more significant in the present scenario. B.Voc (Bachelor of Vocation) is an emerging course in India that aims at providing adequate skills required for a particular trade to candidates. The course is different from traditional academic programmes as it deals more with skill-based studies rather than focusing on only theoretical knowledge.

The University Grants Commission (UGC) has launched a scheme on skills development based higher education as part of college/university education, leading to Bachelor of Vocation (B.Voc.) Degree with multiple exits such as Diploma/Advanced Diploma under the National Skill Qualification Framework (NSQF). The B.Voc. Programme is focused on universities and colleges providing undergraduate studies which would also incorporate specific job roles and their National Occupational Standards (NOSs) along with broad general education. This would enable the graduates completing B.Voc. to make a meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge. The College has taken a new skill development initiative in the year 2014-2015 by introducing B.Voc. Aided degree programmes sponsored by UGC.

## **CENTRE FOR E-RESOURCES**

The centre aims at high-quality plan of the whole instructional approach of the various programmes offered in the college in tune with National Programme on Technology Education Learning. The e-contents with combination of sounds, images and text prepared by our faculty members provide free online video lectures in science and humanity courses and are made available in learning management portal 24x7 to our students.

## **LANGUAGE LAB**

PSGR Krishnammal College for Women established the Language Lab in the year 2008, which is a language training platform to maximize practical learning of language and language-oriented skills. Lady Hawk software is installed in the lab to expand activity based learning amidst first and second year students of under graduation. Every year, around 3500 students get benefitted by getting trained through the language software to learn various languages like English, French and German. Language Lab allows students to practice language with a much wider variety of activities and exercises using online modules. Different modes of activities like audio exercises, video exercises and audio-visual materials are programmed to equip the users. The students can watch videos, practice their pronunciation through a speech recognizer, learn new vocabulary, and work out the grammatical tasks and they can also have a record of their scores. The platform is tailored to the individual needs of students. On the other hand, the monitoring and evaluation pattern incorporate in the system said the teacher identify the areas of difficulties students encounter during the course of language learning process.

## **GRG BIRAC E-YUVA CENTRE**

GRG BIRAC E-YUVA Centre, supported by DBT - BIRAC, Government of India, is established to promote entrepreneurial innovation among young students and researchers. Krishnammal College for Women is the only Women's college among 10 BIRAC EYUVA centres in India to be supported under this scheme. With 3 Postdoctoral Fellows and 25 Under graduate EYUVA Fellows working towards Bio-Startups and patents in the fields of enzyme technology, waste valorization, healthcare, and food technology; the main motive of the centre is to create a culture of research innovation and capacity building at the undergraduate student level in academic institutions, opportunity creation and access for Life-science Entrepreneurship.
